Objective

The purposes of the Annual Performance Evaluation process are to promote communication and provide useful feedback about job performance, identifying strengths and weaknesses, setting goals for future performance and to facilitate better working relationships.

Scope

This policy applies to all at Aithent except contractual staff.

Procedure

Performance appraisal is conducted every year in the month of October based on individual performance set-out in Job profile.

Employees shall take guidance / support from the manager / peers for improving assigned tasks. The HR Manager and reporting manager shall identify training needs, if any during counseling or annual assessment.

The effective date of appraisal is considered as below:

- Those joining on or before 15th of the month, the effective date is 1st of that month.
- Those joining after 15th of the month, the effective date is 1st of the next month.
- The trainees' appraisal date is based on their date of confirmation.

Step 1: HR/OPM generates the list of employees who are due for annual appraisal for the current month and initiates the process.
Step 2: Appraisal forms are emailed by HR/OPM to employee with a copy to the reporting authority indicating the date of submission of the forms. HR has to ensure that the forms are received by the indicated timeline.
Step 3: All appraisees shall be initially appraised by the immediate reporting authority and/or PL's/ Departmental Head. At the same time, review input shall also be sought from the clients, CEO and others as applicable.
Step 4: Reporting Manager send the completed forms with rating and feedback to HR/OPM as soft copies by the date indicated in the Appraisal email by HR.
Step 5: HR or Review Group shall discuss the ratings given by the respective supervisors and the final ratings shall be determined. The incremental amounts shall be determined based on the recommendations by the reporting manager, internal benchmarking, budget available and ratings. The ratings shall be translated as follows:

Performance Levels:

- ✓ Excellent 80% and above
- ✓ Very Good 70% to 79%

CONFIDENTIAL

- ✓ Good 55% to 69%
- ✓ Satisfactory 40% to 54%
- ✓ Unsatisfactory Below 40%

Step 6: Career planning and future work plan shall be a key activity during the process of review. RL changes shall be discussed and finalized. Data on the last RL changes shall be kept for ready reference and the RL chart shall be referred to ensure compliance with the periodicity of RL changes. Cases of Job Rotation shall also be discussed and finalized.

Step 7: For declaring increment OPM manager schedule meeting with appraisee and appraiser to discuss the feedback. After successful completion of meeting OPM manager announce increment to the apprise and share the details with finance.

Step 8: Increments and promotions shall be decided based on the current compensation, internal benchmarking and are usually governed by the following factors:

- ✓ How well an employee performed in his / her present job.
- ✓ How much potential an employee has for future responsibilities.
- ✓ How much additional knowledge he / she has acquired for further advancement.
- ✓ His/her role in revenue generation, in other words contribution in terms of on time deliverables, increase revenue, introduces new processes, save cost or any other achievement.
- ✓ Work plan setting for the next review period to be jointly decided by employee and their respective supervisor.
- ✓ Personal attributes, work habits, attitude towards self and others, ability to get along with the team, leadership qualities, personal contribution to the success of the company determine his / her competence for promotion.
- ✓ Feedback given by all those who work with the employees such as his / her superiors, subordinates, peers, and the customers.

Aithent management reserves the right to modify/extend/suspend this scheme/policy at any time.
