OBJECTIVE

To define and lay down policy and procedure for reimbursement of official expenses incurred on undertaking outdoor work for the company.

SCOPE

- This policy will apply to all at Aithent who undertake outdoor official work.

ENTITLEMENTS ON TRANSFER

Mode of Transport allowed

- The mode of transport usually recommended for use by employees is auto. In case taxi facility is felt necessary, then the same can be approved by the PM/PL depending on the distance and the urgency of the work. The conveyance expenses will be paid on actual.
- The Help staff is required to use the bus pass granted to them by the company. Only in special cases, auto can be availed on special sanction from admin head.
- If an employee uses his own vehicle the reimbursements can be claimed on the following basis:

S. No.	Conveyance	Amount
1	Two wheelers	@ Rs. 5.00/- per km.
2	Car	@ Rs. 7.00/- per km.

- In case own vehicle is used, expenses claimable are for the same only and cannot be claimed on the basis of public transportation usage i.e. Auto/Taxi.

PROCEDURE

- The concerned employee is required to fill up the local travel claim voucher and submit the same with the finance department after approval from head of the department/ PM/ PL/ GL.
- The vouchers must be claimed on monthly basis.

OTHER REQUIREMENTS/GENERAL GUIDELINES

- Each staff member must put a concentrated effort to minimize the expenses on local conveyance. Some of the guidelines are :

- For all categories, local transport and local trains' /Metro service should be utilized to the maximum. For those traveling from a particular route (say more than five times per month), monthly season tickets may be preferred.
- Local conveyance reimbursement does not cover travel from residence to place of work and back.
- In case a staff member proceeds for outdoor work directly from residence or proceeds to his/her residence directly from the outdoor assignment, the reimbursable expenses will be the least incurable on either possibility i.e. between office and outdoor assignment or between outdoor assignment and residence.
- The staff member may be allowed to use the transport in the higher category if carrying heavy and bulky official materials. In such cases, prior authorization of the supervisor is necessary.
